NVQ Circular:03/2012

Equivalence of National Diploma in Engineering Sciences (NDES) – Civil Engineering programme to NVQ Level 6 in Construction Technology

National Diploma in Engineering Sciences is a four year fulltime programme, conducted by the Institute of Engineering Technology (IET), Katunayake. The programme consisted with basic, general and specialized components. Students are expected to specialize in one of building & structural engineering, highway & railway engineering and water & environment engineering.

On the request of IET, Katunayake, NDES in Civil Engineering was mapped with NVQ level 6 by a panel of chartered civil engineers and found that it meets the credit requirements of NVQ level 6.

Accordingly the Governing Council of the Commission approved to equate NDES Civil Engineering programme to NVQ Level 6.
