

**INVITATION
FOR
MASTER TRAINERS IN PEDAGOGY**

TVEC, which has a mandate to assure the quality of the TVET sector teaching/learning process, is now planning to extend the assistance to improve the quality of training through enhanced pedagogical skills of the teachers/trainers in the private sector. Teachers' ability in training (pedagogical competency) is ranked high in the sphere of quality of TVET and in this regard, two professors from Arizona State University – USA, who trained the Master Trainers in the public sector earlier this year will be visiting us again in **February 2019**.

TVEC as such, wishes to register a team of private sector teachers/trainers for a **Training of Trainer (ToT)** programme in Pedagogy, who would like to be master trainers to train others in the private sector. The ideal candidates would be teachers/trainers in the TVET sector who have high proficiency in English with minimum 10 years teaching experience. Retired teachers/trainers are also encouraged to apply. Please forward the duly filled attached format with your Curriculum Vitae to training@tvec.gov.lk to be reached by **15th December 2018**. Please note that only **30** people can be accommodated, and the **selections would at the discretion of the TVEC**.
